

Yash (Ek Partner)

Tere naam se hi shuru hoti hai kahani meri,
Tere baaton se sajti hai subah aur shaam meri.

Yash, ugte hue ummeed ki kiran ke jaisa,
Mere har pal ki khushiyon ka nishan waise hi hai anmol.

Thoda sa lagta hai seedha-sadha, par hai bada sayana,
Jaise mera khadoos fantus, Kurkure jaisa deewana.

Ladta-jhagadta hai, phir bhi baatein samajhdari wali,
Uske ghusse mein bhi hoti hai ek raunak nirali.

Ladna-jhagadna hi hai hamare pyaar ki pehchaan,
Woh karta hai meri fikr, par kabhi jataata nahi armaan.

Subah hamari shuru hoti hai "Jai Shree Ram" ke naam se,
Aur baatein humari alag hain, bakiyo ke afsaane se.

Din-raat baaton ka bas woh hai mera sahara,
Apne se upar rakhta hai mujhe, dil se hamesha pyaara.

Mujh par aane se pehle, musibat ko apne sir leta hai,
Isi wajah se woh baki sabse alag aur anokha lagta hai.

Pareshan toh karta hai, par usi mein maza aata hai,
Masti karna uska kaam, mujhe hasata rehta hai.

Hasna-hasana hai uska shauk, chidna aur chidana,
Par saath nibhane ka jazba hai, hamesha nibhana.

Hamari kahani shuru hui ek mandir ke aas-paas,
Na thi koi planning, bas ho gaya sab ek saath.

Dosti se hui shuruaat, dosti se hua pyaar,
Aur ab dosti aur pyaar, dono hain ek sansaar.

Yeh hai meri aur Yash ki kahani,
Jisme hai khushi, masti, aur yaadon ki nishani.

Aage badhe yeh safar aur bane ek misaal,
Hamari mohabbat ki dastaan rahe sada bemisaal.
